Writ petition filed under Articles 226
and 227 of the Constitution of India with an
affidavit, praying to quash the endorsement
dt.26.12.92 vide Annexure J and etc.,

This writ petition is coming on for
hearing this day, the Court made the following

:O R D E R:

Petitioner is an association.
It is questioning in this writ petition
the endorsement issued by the Chief
Secretary, Jilla Parishad, Tumkur,
dated 26.12.1992. By the said
endorsement the Chief Secretary had
informed the office bearers of the

petitioner association that they cannot regularise the services of Group D employees of the petitioner association.

Petitioners contend before this Court that the association had donated a sum of Rs. 50,000/- towards construction of a hospital in Venkatapura Mandal Panchayat, Pavagada taluk. It is their further case before this Court that they had appointed some persons as Group D employees. The association had also fixed the salary of Rs. 150/-p.m.

Persons who were appointed by the association as Group D employees had gone before the Chief Secretary, Jilla Parishad, Tumkur, requesting him to regularise their services through the association. That request had been rejected by the Chief Secretary on the

ground that since the appointment was not done by the Jilla Parishad they cannot regularise their services.

In my view this Court cannot take exception to the endorsement issued by the Chief Secretary for the reason that the Jilla Parishad at no point of time had appointed the members of the petitioner association^{as l.} Group D employees. If for any reason the appointment is done by the association, petitioners have to approach the association only for regularisation of their services and they cannot approach the jilla parishad for regularisation of their services just because the association had donated a sum of Rs. Rs. 50,000/- for construction of hospital building.

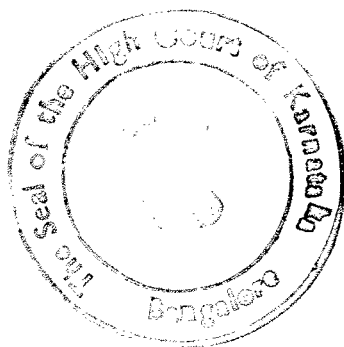

For the reasons stated I do not find any good grounds to interfere with the endorsement issued by the respondents. Accordingly petition is dismissed. Rule discharged. In the facts and circumstances of the case parties are directed to bear their own costs. Ordered accordingly.

Sd/- JUDGE.

SUBJECT: REPLY TO YOUR LETTER OF 9/1/77

Enclosed for you are two copies of a report
on the results of our investigation of the
mechanism of the reaction between atomic
hydrogen and molecular oxygen. The report
contains a detailed description of the
experimental procedure and the results
obtained. It also contains a discussion of
the results in the context of the current
theory of the reaction.

The report is entitled "The Reaction of
Atomic Hydrogen with Molecular Oxygen".
It is written by Dr. J. H. Goldstein and
Dr. R. W. Fessenden. The report is
available in the form of a preprint
from the University of Chicago Press.
I am sure that you will find the
report of interest.
